Stuffed Mushrooms

Peel and remove stalk from mushrooms and arrange on a baking tray. (No oil required in tray)

Fill the mushroom with Italian mince. If you are using Italian sausages remove the skin before using.

Add the Tasty slice or shredded cheese on top and sprinkle with the Italian herbs.

Place the tray in Pizza oven and cook at low temperature (approx 180°) for 20–30 minutes.

When the mince becomes firm, remove from oven and serve.
